Ava Rowan introduced the program. Jan Spencer talked about Heartbound Ministries she works with and founded. Heartbound Ministries ministers to prisoners and works with them. She told us about several programs they do including Malachi Dads and Returning Hearts. A flyer is attached to this newsletter with information how you can assist the ministry. She showed a video of a program they did at Walker Prison last year that united children with their dads for a day.

Next week is our monthly business meeting followed by the board meeting.
